

Mixed Nationals Criteria (September 20, 2012)

- Each Province must comply with the criteria set out by the Canadian Broomball Federation
- A player must be registered within their own province as a coed player.
- Players who are registered as Elite men within their own province / territory are considered to be of Elite status. Teams are eligible to carry a maximum of 3 elite Men players.
- Juvenile players are permitted to play in the Coed division as long as they are not participating at the Juvenile Nationals in the current year.
- Players can't participate in 2 categories in the same National Championship in the same playing season.
- Only one team per Province / Territory plus the host team are eligible to play.
- There must be a minimum of 3 Provinces/Territories attending with a minimum of 4 teams participating. This would include the Host.
